

AAYBA World Series Rules (updated 5/17/11)

7U/8U Rules: (Texas only)

- 7U/8U use 42' pitching and 60' bases. Games will consist of 6 innings or an hour and a half (which ever comes first). If a game is tied at the end of 6 innings and time remains, additional innings will be played until time expires. If time has expired, and the home team is batting, the game is ended if the home team is ahead or as soon as the home team takes the lead.
 - Teams will consist of no more than 20 players. There will be a head coach and a maximum of 3 assistant coaches. All teams must bat the bench, with free substitution. The batting order never changes. A team can begin a game with 8 or more players. If you are playing with 8 or 9 players, when the 9th and 10th batting spots come up and there is not a player in that spot, and automatic out will be charged. Any player that arrives after the game begins will be added to the bottom of the batting order.
 - The pitching coach must either straddle the rubber, or stand on the rubber. The pitching coach shall not verbally or physically coach at any time while in the pitching position. If the coach violates this rule they will be warned. The second violation, the coach will be removed. If no coach is left to pitch, that team will forfeit the game. The pitching coach shall position himself as not to be an obstruction to the defensive team on any possible play once the ball has been hit. If the pitching coach intentionally obstructs a play, obstruction will be called and the pitching coach shall be ejected. If no coach is left to pitch, that team will forfeit the game. If the pitching coach gets hit with a batted ball, the ball becomes dead and a no-pitch is declared.
 - If any coach is hit with a thrown ball unintentionally, the ball is dead and runners can not advance. If in the umpire's judgment, the coach did not make a legitimate attempt to avoid a thrown ball, the batter is declared out and no runners shall advance.
 - When a team is on defense they will play with 10 players in the field. Four outfielders (they must be in the outfield grass). There will be four infielders (they must stay behind the 30 foot arc until the ball is hit). There will be a catcher who must be in a catching position in the catcher's box. If in the umpires judgment the catcher does not stay in a catching position he and his coach will be warned. The second time this happens the coach will be ejected from the game. If a new catcher comes into the game, they will be given a warning first, ejection on the second occurrence. There will be a player pitcher (they must stay in the pitching circle until the ball is hit). If there is a violation of this rule, play continues and after the end of the play, the batting team has the option of keeping the play, or taking a no pitch.
 - There is no infield fly rule.
 - Bunting will not be allowed.
 - The batter shall receive a maximum of six (6) pitches or three (3) swinging strikes. If the 3rd swing is a foul ball and is not the 6th pitch, the batter is not out.
 - There are no intentional walks.
 - Runners can not lead-off or steal bases. A runner is out if they leave the base before the ball is hit or reaches home plate. If one runner or more leaves the base early, then a dead ball and a no-pitch is called, and the runner is called out. If more than one player leaves early, the lead runner is called out.
 - A courtesy runner for catcher of record in the previous inning may be used. The courtesy runner shall be the player that made the previous out. If no outs have been recorded in the game, the courtesy runner shall be the previous batter not on base.
 - A team may score a maximum of seven runs per inning, including the last inning. The run rule is as follows:
 - 15 runs after 4 innings
 - 8 runs after 5 innings
 - Umpires shall call time after every play and declare the ball dead. Time shall be called as soon as the lead runner is not attempting to advance.
 - Defensive coaches shall not be allowed on the field of play and shall coach from the dugout.
 - Offensive coaches will be allowed at 1st and 3rd base only. All other coaches remain in the dugout.
 - Bat Exclusion: the Easton 'Stealth' Model # BCNCP1 is prohibited from use as some of these bats have contained a manufacturer's warning stating "Not for Use with Real Baseballs." All bats must be designated for use with regulation baseballs.
- Penalty:** The batter is out; runners may not advance on a hit ball; the bat is ejected from the game; and further use of such bat by any player on this team will require ejection of the player; and disqualification of the team manager from the tournament.

1. ENTRY REFUNDS

There are no refunds for withdrawal once your paid application has been received.

2. RAIN REFUNDS

Refund Policy is as follows:

- No games started—80% refund
- 1 game started—60% refund
- 2 games started—NO REFUND

3. GATE ADMISSIONS.

Gate fees for our World Series events are \$35 at check-in on Saturday, and \$40 at the gate for a week-long pass once the tournament has started. You may also purchase daily passes for \$10 per day, the daily passes are non-refundable. Children ages 15 or younger are always admitted free. Unbelievable as this is, we have experienced a few teams attempting to forge gate passes. If this occurs, the police **WILL** be called. If the manager has knowledge of, or is involved in the forgery attempt, the team will be ejected from the tournament. If the Tournament Director determines the manager has no knowledge of the forgery attempt, the manager will be required to determine how far spread the violation is and resolve it to the satisfaction of the Tournament Director. Failure to cooperate in resolving the issue will result in the team being ejected from the tournament. At that point the Tournament Director will levy a fine, and failure to pay the fine will result in the team being ejected from the tournament. The persons involved in the forgery will be ejected from this tournament. This is stealing and against the law. **NO REFUNDS** will be given to any individual or team if ejected from the tournament.

4. COACHES' PASSES

Each team will receive three coach's passes. **Coaches who lose, forget, or misplace their passes will be required to pay a non-refundable gate admission – period – NO EXCEPTIONS!** Individuals who abuse or misuse these passes shall forfeit their passes for the duration of the tournament.

5. NO SHOW/SURRENDER

Any team that fails to show for a scheduled AAYBA tournament game will be banned from AAYBA play for one year, unless a team medical emergency can be immediately verified and documented, shall be disqualified from further participation in the tournament. Teams are not permitted to “surrender” during the course of any tournament game. All games must be played to completion per tournament rules. Should a team pull their players off the field, or quit, prior to completion of the game, said team will be disqualified from the tournament with no refund or entry fees, admission fees, etc.

6. FORMAT AND/OR RULES CHANGES OR ALTERATIONS

All AAYBA tournament directors reserve the right to alter or change tournament formats. In the absence of a clearly defined rule or interpretation the Tournament Director reserves the right to restate/clarify/change a rule, which will be communicated to all team managers, posted on the board with the scores, and updated on the website. Scores will be updated and posted to the website no later than at the conclusion of each day of play. Local rules may override AAYBA rules; if this happens, managers will be notified at the managers meeting.

7. SPECIAL START REQUESTS

Before entering a tournament, make sure your team has no other conflicts on listed tournaments. AAYBA cannot guarantee any special game time requests.

8. AWARDS

The AAYBA “Open” World Series gives awards to every player on every team at the conclusion of their last game. The Tournament Director will present awards to those players listed on the AAYBA approved roster from original check in and late check in rosters. Only players on those approved rosters, and present at awards ceremony will receive awards. No extra awards will be given and no awards will be shipped.

PLAYERS MUST BE PRESENT TO RECEIVE THEIR AWARD — NO EXCEPTIONS —

In the event of a rain out, teams competing for 1st and 2nd place will be given Co-Champion awards. The highest seed will receive the 1st place award, and the lower seed will receive the runner up award. The recipients of the runner up award will receive a new name plate saying Champion. These will be sent to the manager for distribution.

9. LODGING

AAYBA does not have a mandatory hotel requirement. Teams playing in the Texas World Series are not required, but are encouraged to stay at sponsoring hotels. (Special pricing has been secured at many Lewisville, TX hotels.)

10. FOOD AND DRINKS

Players, parents, and fans are permitted to bring food, drinks and coolers into the following Texas World Series parks **ONLY**: Bakersfield Park, Gerault Park and Hilltop Park. No alcohol, glass containers or tobacco permitted.

11. AAYBA EXCEPTIONS TO MAJOR LEAGUE RULES

AAYBA uses Major League Baseball Rules with AAYBA exceptions as noted in this document.

12. AGE DIVISIONS

The AAYBA tournament and World Series program offers play in Texas for “individual” age groups from 7U-14U, Missouri for ages 9U-16U, Colorado 11U-15U, and in Oklahoma for 10U-14U.

13. AGE CUT-OFF

For all AAYBA programs, our age cut-off is May 1st of the current year. For example a 12U team cannot have any players that turn 13 prior to May 1st. All teams move up in age at the conclusion of our National Championships. A player may play up in an age bracket above his own, but no player can move down. Each player may only play on one team in the week he is participating.

14. TEAM ROSTER RULES

All teams must complete a roster waiver form prior to participating in any AAYBA event. This form must be turned in to the director at check in and it will serve as your official roster. For weekend tournaments, this roster can be updated until it is turned in at which point your roster is frozen and no additional players may be added. For the World Series the roster/waiver must be turned in at check-in at which point your roster is frozen. We understand that there may be times when a child cannot be there at check-in. However we will only allow a maximum of three players on one team to check in late at the fields and they must check in before the start of the third game their team will play (no exceptions; for a bye, a bye will count as a game). For those players checking in late, they will need their original birth certificate and a separate roster/waiver form with the child’s name and parent signature, even if they have already signed their team’s original roster/waiver. For those of you flying folks in to pitch a game and then fly home ... **WRONG TOURNAMENT!** Team rosters are limited to 20 players in all age groups.

"All Players Must be Officially Checked-In PRIOR to Competing in any AAYBA World Series game."

15. ROSTER PROTEST

If at any time a protest fee of **\$100 CASH** is put up to check a player’s eligibility, the manager from that player’s team must immediately provide that player’s original birth certificate for the Tournament Director. If it cannot be provided, regardless if he is on the roster/waiver, that player will be declared ineligible for the rest of the tournament and the game will be forfeited. If a manager or coach knowingly violates the rules, that team will be asked to leave the tournament and forfeit all money that has been paid. If a birth certificate is provided, the player will be checked against the AAYBA certified roster/waiver(s), and if it is determined that the player is eligible, the \$100 protest fee will be forfeited. If the player is determined to be ineligible, the protest fee will be refunded.

16. RULE PROTESTS

Protests are allowed only on rules and not on judgment calls. Protests must be made before the next pitch or play is made. Failure to lodge the protest at the time of questioned play and after a pitch or play is made will disallow the protest. All valid protests will be resolved immediately. Only managers can protest. To protest, a manager must submit a protest fee of **\$100 CASH** to the game’s plate umpire and state what is being protested. The manager will ask that the game clock be stopped and ask for the Tournament Directors decision. Neither of the game umpires can refuse to accept a protest when accompanied with the \$100 protest fee as long as it is a rule protest. Just because the umpire knows the rule, if you disagree, does not negate your right to protest. If it is a judgment call protest, it will not be allowed and the umpires will resume the game. If it is a valid protest and the protest is upheld, the fee shall be immediately refunded. If the protest is denied, the deposit shall be forfeited. The Tournament Director shall resolve all protests by consultation with the game umpires, and/or UIC. The Tournament Director’s decision will be final and not open for discussion.

17. AGE GROUPS, PITCHING DISTANCES, BASE DISTANCES, INNINGS PLAYED, AND TIME LIMITS

Age Group Pitching Distance Base Distance Innings Played Time Limits

9U: 46' 65' 6 innings 1 hr 30 min (Texas)

9U: 46' 65' 6 innings 1 hr 45 min (Missouri)

10U: 46' 65' 7 innings 1 hr 45 min

11U: 50' 70' 7 innings 1 hr 45 min

12U: 50' 70' 7 innings 1 hr 45 min

13U: 54' 80' 7 innings 1 hr 45 min

14U+: 60' 6" 90' 7 innings 1 hr 45 min

No new inning may begin after 1 hour and 45 minutes for 10U through 14U, or 1 hour and 30 minutes for 9U. The new inning begins after the third out of the preceding inning. There are time limits on every game except the **PLATINUM DIVISION CHAMPIONSHIP** game in every division.

18. SUBSTITUTIONS AND RE-ENTRY

For teams not batting the roster: Starters may re-enter one time in their **ORIGINAL** batting position. Substitutes removed from a game are ineligible to return. As a courtesy, teams shall report all substitutions to the home plate umpire who will inform scorekeepers.

19. EXTRA PLAYER (E-P BAT 10)

The E-P position shall be considered the same as any other position. Normal substitution rules apply. However, any team that begins play using an E-P must maintain a 10-player line-up throughout the game.

20. BATTING EXTRA PLAYER (E-P), BATTING 9, BATTING ROSTER

The manager may choose to bat 9, 10, or bat the roster, and must declare his choice at ground rules. 9U must bat the roster and play free substitution.

E-P BATTING 10: Any team that begins play using an E-P must maintain a 10-player line-up throughout the game. Any time a player is lost by ejection, and there are no substitutes available only this game shall be forfeited

Batting 9: Any time a player is lost by ejection, and there are no substitutes available, this game only shall be forfeited.

Batting the roster: There is free defensive substitution. Any time a player is lost by ejection, an out shall be recorded each time the ejected player was to have come to bat.

Batting 9, 10, or roster: Teams which fall short of nine eligible players during a game, due to player ejection(s), shall forfeit that game only. There will be no forfeits due to a disabling injury to the last player available, however if a team falls below eight players the game will be forfeited. In the event of a disabling injury, and all eligible substitutes have already entered the game and been removed, the last player removed must be re-inserted. The injured player may not re-enter the game thereafter. If there are no players to replace the injured player the team may continue to play with 8 players, no out shall be recorded for the missing 9th player, and compress the lineup.

21. BAT REQUIREMENTS

Players may use any length and weight bat **provided the barrel does not exceed 2 3/4 inches in diameter**. All bats must be manufactured for use with regulation baseballs. *Please know that bat standards are currently being reevaluated for the 2012 season.*

22. METAL SPIKES

For Texas and Missouri, metal spikes are only allowed in the 13U age groups and above. In Colorado metal spikes are allowed in 12U age group and above. In all three locations, Colorado, Texas & Missouri, while playing on temporary mounds, metal spikes are not allowed. No metal spikes allowed in batting cages.

23. COURTESY RUNNERS

Courtesy runners for either the pitcher or catcher are optional. A courtesy runner is exactly what it says it is, A **COURTESY RUNNER**, not a substitute. The courtesy runner will be a player that has not been in the game. A player cannot courtesy run twice in the same inning. If no players are available the courtesy runner will be the last batted out. If the last batted out is the pitcher, catcher, or is on base, the previous batted out will be used. In the first inning, if there are no batted outs the last batter in the lineup may

courtesy run.

24. BALKS

In the 9U & 10U divisions, one warning per pitcher will be given before a balk is called.

In 11U-14U, all balks will be called. All balks will be called according to Major League Baseball Rules.

25. INTENTIONAL WALKS

Intentional walks require that four pitches be thrown. You cannot simply put the hitter on base. Coaches, please make your players aware of the catcher's balk (While giving an intentional base on balls, the pitcher pitches when the catcher is not in the catchers' box.).

26. RUN RULE

20 after one inning

15 after two innings

12 after three innings

10 after 4 innings

8 after 5 innings

27. BETWEEN INNINGS

A maximum of two minutes, or five warm-up pitches, will be allowed between innings with the time beginning following the third out. The umpire shall keep time. Automatic strikes may be called on offensive teams not ready and automatic balls may be called on defensive teams not ready after the umpire has directed teams to play. If an injury requires an emergency pitching change, the new pitcher will have ten minutes maximum for warm-up (game clock will not stop, unless the injury was severe enough to require medical attention on the field).

28. EJECTIONS

Any manager, coach, or player ejected from the game must leave the park and may not return for any reason until the applicable game(s) ejection limit has been served. **Any player ejected from the game will serve the game of the infraction plus one. During his suspension the player can watch from the bleachers but cannot be in the dugout with his team. If the team is batting the lineup, or with batting 9 or 10 players and have no substitutions available it will be an out each time the ejected player is to bat.** If due to an ejection the team falls to eight players the game shall be forfeited. If due to an injury the team falls to eight players the game will continue with 8 players, no out shall be recorded for the missing 9th player, and compress the lineup. Teams which fall to 7 players during a game shall forfeit the game. **Any manager or coach ejected will serve the game of the infraction plus three and the ejected manager, coach, or parent will be escorted to the park exit and will not be allowed back until the suspension has been served.** Unsportsmanlike conduct of any kind will not be tolerated. Managers are responsible for the behavior of the entire team, parents included. If the ejected party then causes a scene that results in the local police department being called, the entire team may be disqualified from the event and no refunds will be issued. Profanity of any kind will result in an immediate ejection.

29. MALICIOUS CONTACT

Malicious contact will result in the player being called out and ejected from the game (see ejections above). Obstruction will be called on the catcher if he is blocking the plate without the ball and the runner tries to avoid contact and is tagged out. **Coaches, this is real simple. If a runner makes unwarranted contact with the catcher he will be out. If our umpires determine it was malicious, he will also be ejected.** Our umpires will consider fake tags "obstruction". Umpires will then award bases accordingly.

30. SUSPENDED/COMPLETED GAMES

A game shall be ruled as official and complete if it is called by umpires or the tournament director due to rain, inclement weather, lightning, or other reasons beyond our control, provided 3 innings have been played (2 ½ if the home team is ahead). If after 3 innings a game is being called for any reason, if the home team is not winning the score will revert back to the previous full inning. If the home team is winning, the game will be considered complete and the existing score will be final. In some cases, if three innings have not been completed, the game shall be suspended, and resumed from that point.

The Tournament Directors reserve the right to decide whether to cancel or suspend a game.

31. TIES

Ties are allowed in all pool games. In the bracket rounds, a winner must be determined. In pool or bracket games, if the score is tied and the time limit has not expired, the next inning will start as normal (even after 7 innings). Full innings will be played until time expires. At expiration of time limit a full inning will be completed unless home team is winning. In bracket play once the time limit has expired and a full inning is completed, and the score is tied, the visiting team will put the three players previous to the batter on the bases, and there will be one out in the inning. **For example, if the game is tied 3 to 3 after the bottom of the 5th inning and the time limit has expired. The visiting team determines that the # 4 hitter in the line-up is due up. That team then puts the # 3 batter on first, the # 2 batter on second, and the # 1 batter on 3rd. There will be one out in the inning and both teams will play like this until a winner is decided.**

32. TIEBREAKERS TO DETERMINE PLACEMENT

In the event of ties between teams, winners will be decided as follows:

1) Head to head 2) total runs allowed, 3) total runs scored, 4. Coin flip by Tournament Director. **Finish is decided by winning %. If there are two or more teams tied with the same winning % and they have not played each other, the tiebreaker will be runs allowed. Runs allowed will determine place until the teams in question have played each other.**

33. DUGOUTS AND FIELD

A maximum of four adults per team are allowed on the field and in the dugouts, this includes the scorekeeper, it is not 4 adults and the scorekeeper. Only two coaches are allowed outside the dugout at any time. Absolutely no glass items are allowed in the dugout. Team water coolers are allowed, unless already provided by the tournament site. Teams must pick up trash and debris in the dugout prior to departure from any game. No parent, or anyone associated with the team, unless approved by Tournament Director, will be allowed in the dugout or on the field.

ABSOLUTELY NO PHOTOGRAPHER/VIDEOGRAPHERS ARE ALLOWED IN THE DUGOUT OR ON THE FIELD. THIS IS A LIABILITY ISSUE AND NON-COMPLIANCE WILL RESULT IN THE POSSIBILITY OF THE MANAGER AND THE OFFENDER BEING EJECTED FROM THE PARK.

34. HOME/VISITOR

A coin flip shall decide home team in all pool games. **After the tournament is broken down to bracket or seeding play, the higher seeded team will be the home team.**

35. WARM-UPS

All team warm-ups will be done in specified warm-up areas or in the outfield of a ball field. **Absolutely no infield practice on any field; No pitching practice allowed on any ball field mound.** There will be no infield practice allowed before a game. A coach may hit ground balls or fly balls to his players in the grass behind 1st & 3rd base provided the start time of the game is not delayed.

36. GAME BALLS

For all AAYBA events ... each team will be required to supply two new balls each game. **Coaches prepare for this and bring at least two dozen new baseballs.** The batting team is required to shag all foul balls, home runs, etc. Baseballs will be returned at the conclusion of the game. If for some reason a ball is lost or cut, the home team will provide the first extra ball and the visiting team will provide the next ball. If needed this rotation will continue.

37. LINE-UP CARDS

Each manager must prepare three (3) written copies of his line-up listing first and last names as well as the jersey number for all players and substitutes prior to each game. Line-ups must be provided to the home plate umpire, opposing manager or opposing scorekeeper. A game shall not start until this is completed. Should a coach omit a player from his written line-up, that player cannot participate in that game only. Managers are responsible for providing their own line-up cards. Lineup cards are a courtesy – scorebooks are the official lineup.

38. PITCHING LIMITATIONS

We have no pitching limits other than those listed in the Major League Baseball Rulebook, except the following. In the 9U age group no pitcher may pitch more than 12 outs in a single game. Violation of the pitching limitations will result in the game being forfeited. If a coach calls time, and crosses the foul line to confer with any player, this shall be considered a visit for that inning, but does not apply to a coach checking on an injured player. If the inning ends and the removed pitcher is not the pitcher of record he cannot return to pitch in that game. Two visits to the mound by a manager or coach results in the pitcher being removed from pitching and he cannot return to pitch in that game.

39. GAME AND PARK CONDUCT

Any gestures or verbal interaction/abuse by players, managers, coaches or fans, causing disorderly conduct, as determined by the Tournament Director, shall at a minimum result in ejection from the park for the current game plus the next 3 games. Any threat, or act of violence, shall result in the removal and possible arrest of the responsible individual(s). It is a felony to assault any umpire in the cities where the World Series is played. It is also a felony in the state of Texas to assault a Tournament Director. Any person on the premises who is intoxicated shall also be removed from the premises by security personnel.

Any person(s) removed under these circumstances shall be prohibited from entering park grounds including parking lots, for the duration of the tournament. Refunds will not be given to anyone ejected from the park. If the ejected party then causes a scene that results in the local Police Department being called, the entire team will be disqualified from the tournament and no refunds will be issued. Should any player, coach, manager, or fan take part in any fighting, those individuals shall be ejected from the tournament on the first occurrence. Should any member of the team subsequently become involved in a second incident of fighting, the entire team will be ejected from the tournament and barred from participating in any AAYBA event for a length of 24 months.

40. TOBACCO

Use of tobacco products of any kind is strictly prohibited on the fields and in the dugouts during any AAYBA event ... this includes umpires and tournament officials.

41. DISRESPECT FOR THE GAME

Any team(s) that conspire with another to determine the outcome of any game, or any team that makes a mockery of the game by intentionally failing to play to the best of its ability; or any team that intentionally, by its play, attempts to limit the score, or lose a game, which could affect other teams and standings, shall be immediately disqualified and will be prohibited from further competition in the event.

42. PARENTS WITH CAMERAS

Parents are welcome to videotape and/or photograph their teams, however under no circumstance are they allowed in the dugout or inside the fence on the field. Parents ignoring this rule will result in both the parent and the manager being ejected from the game.

MANAGERS ONLY

For questions during an ongoing tournament use the Tournament Director on site. At other times you may call one of the two Umpires in Chiefs (UIC). Please do not call the UIC about any questions regarding tournament information unless it pertains to the rules. When calling please identify yourself as the Manager of (Team ?). If they are not home, please leave a message and they will get back with you as soon as possible. Do not depend on or expect a response if you send an email during a tournament as emails are not checked every day.
